Subject: Pechiney - Remediation Completion Reports

Hi Carmen,

Just following up on Pechiney and my previous email regarding the completion reports for the below grade work. As I mentioned in my previous email, we would be happy to meet with you at your office to go through all the results and sampling information. We are available most of January to meet, so please let us know what works best for you with respect to a meeting date/time.

Hope you had a wonderful holiday!

Happy New Year!

Thank you, Linda
